

HAWAII MEDICAL POLITICAL ACTION COMMITTEE
1360 S. Beretania Street, Suite 200, Honolulu, Hawaii 96814

April 28, 2010

Dear Fellow Physician,

The Hawaii Medical Political Action Committee (HAMPAC) has endorsed Charles Djou in the Special Election for Hawaii's 1st Congressional District seat left vacant by the resignation of Representative Neal Abercrombie.

Unlike his opponents, Charles Djou is an advocate for tort reform and is a friend of Medicine. We need him in Congress.

We urge you to speak with your staff, family, friends and patients to vote for Charles Djou in this upcoming election. You may be receiving your ballots as early as Saturday May 1, 2010. Please help us get out the vote for Charles Djou!

We also encourage you to join HAMPAC if you have not already. Any HMA member (or spouse) can become a member of HAMPAC by sending a check for \$300.00 to HAMPAC, c/o the HMA, or by going online to www.hmaonline.net and click "online store" (\$100.00 of that goes to AMPAC, for use in the Congressional races, including Hawaii's). Medical students and residents' fee is \$20.

Donations are not limited to these amounts, and all monies above the annual membership fee stay in Hawaii. Non-members can also contribute any amount. (Understandably, we reserve the right to decline any donation.)

Please send your check today.

Sincerely,

A handwritten signature in black ink that reads "Paul DeMare". The signature is written in a cursive, flowing style.

Paul DeMare, MD
HAMPAC Board Chair

HAMPAC is a voluntary, non-profit, non-partisan organization of physicians and spouses that was founded in 1963 to financially support pro-medicine candidates seeking public office. HAMPAC makes direct contributions to pro-medicine candidates seeking election to the Hawaii State Legislature. Candidate endorsements are the sole responsibility of HAMPAC. Hawaii Medical Association does not endorse candidates for political office.

Contributions to HAMPAC are not deductible for federal income tax purposes. Voluntary political contributions by individuals to HAMPAC should be from a person's own money and in the name of that same person. Funds from corporations will be used for non-election activities.
